² Chair

³ Vice-chair

⁴ P = Primary; D = Designee; A = Alternate

The BBRS Advisory Committees provide the necessary technical expertise to the BBRS to allow the continual development of the MA State Building Code. The Advisory Committees are comprised of individuals from private practice, state, and local building and fire officials.

The BBRS is indebted to the many individuals, firms, associations, and state and local authorities who donate their time and expertise, pro bono, to the Commonwealth.
